DENIAL

~~APPROVAL~~ OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

deny same on the ground that applicant

is not a citizen of the United States and failed to

declare his intention to become such as required by law.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed _____ cubic feet per second.

Actual construction work shall begin on or before _____

Proof of commencement of work shall be filed before _____

Work must be prosecuted with reasonable diligence and be completed on or before _____

Proof of completion of work shall be filed before _____

Application of water to beneficial use shall be made on or before _____

Proof of the application of water to beneficial use must be filed with State Engineer on or before _____

WITNESS MY HAND AND SEAL this 30th day of August, 1926.

John A. Allen

State Engineer

APPLICATION REINSTATED SEPTEMBER 4, 1926.

John A. Allen
STATE ENGINEER

This application was reinstated on September 4, 1926, but is hereby denied on the grounds that the applicant does not have grazing privileges within the area serviced by said applications and that the granting thereof would be detrimental to the orderly operation of a common range and to the public welfare.

WITNESS MY HAND AND SEAL THIS 27th day
of March, 1967

GEORGE W. HENNEN
State Engineer
